Important events to be reported: Signing an agreement for the full acquisition of True Energy Management SRL

The management of Premier Energy PLC (hereinafter referred to as the "Company") informs the market that it has signed an agreement for the acquisition of the remaining 25% stake in True Energy Management S.R.L., stake that the Company does not yet own, for a total purchase price of €3 million.

The agreement will become effective, and the Company will ultimately own 100% of True Energy Management S.R.L., upon receiving a no-objection decision from the Committee for the Examination of Foreign Direct Investments. This approval is expected to be granted in the following weeks.

True Energy Management S.R.L. owns and operates the Company's cogeneration balancing plant located in Făgăraș, Romania, with a current installed electricity generation capacity of 13.2 MW which is in the process of being increased to 19.9 MW through the purchase of 2 new engines which are currently in the testing phase and should be fully operational within the next month. Additional information regarding the plant can be found **HERE**.
